Business of the Month

Georgies Fine Jewellery stores have been your local jewellers since 1987. Georgie's story began in Narooma where she started her jeweller apprenticeship at her parents jewellery store. Together with Dave the business expanded

to 5 stores in Eden, Merimbula, Bega, Narooma and Batemans Bay.

Georgie and Dave are supported by a team of trained jewellery professionals and qualified jewellers, who work from our workshops which are based in Narooma and Batemans Bay.

Georgie's passion for fine jewellery and gemstones has taken her all over the world, travelling to the diamond buying capital Antwerp annually. Georgie loves to be able to hand select that extra special diamond for her customers.

Together with Georgie's flair for design the program has taken us to the next level as custom design specialists. With thousands of flexible designs, we are enjoying producing an exquisite quality product for our customers, and our customers are impressed with the results!

Our reputation for custom has grown and we now have customers from all over the world, who are coming to us to fulfill their jewellery dreams, making rings for people as far as Canada.

The Winter Wonderland Promotion has kicked off to a great start with the Merimbula Jazz Festival, with the sunshine came the music and the crowds.
